## About Me

Recent graduate with a degree in **Bachelor of Computer Applications (BCA)** is a three-year undergraduate degree program that focuses on computer applications and software development. I consider myself a responsible and orderly person. I am looking forward for my first work experience.

## Project

As part of a BCA project, I worked in a team to develop a **Library Management System** using PHP, HTML, CSS, JavaScript, and MySQL for Database management. Key functionalities included user authentication, book cataloging, borrowing/returning, fine calculation, and reporting.
